

Pain in Heart

"For two years I had pain in my heart, back and left side. Could not draw a deep breath or lie on left side, and any little exertion would cause palpitation. Under advice I took Dr. Miles' Heart Remedy and Nerve. I took about thirteen bottles, am in better health than I ever was, and have gained 14 pounds."

MRS. LILLIE THOMAS, Upper Sandusky, Ohio.

For many years Dr. Miles' Heart Remedy has been very successful in the treatment of heart troubles, because of its tonic effect upon the heart nerves and muscles. Even in severe cases of long standing it has frequently prolonged life for many years after doctors had given up all hope, as proven by thousands of letters we have received from grateful people.

Dr. Miles' Heart Remedy is sold by all druggists. If the first bottle fails to benefit, your druggist will return your money.

Lame Back

An aching back is instantly relieved by an application of Sloan's Liniment.

This liniment takes the place of massage and is better than sticky plasters. It penetrates—without rubbing—through the skin and muscular tissue right to the bone, quickens the blood, relieves congestion, and gives permanent as well as temporary relief.

Here's the Proof.

Mr. JAMES C. LEE, of 1409 9th St., S.E., Washington, D.C., writes: "Thirty years ago I fell from a scaffold and seriously injured my back. I suffered terribly at times; from the small of my back all around my stomach was just as if I had been beaten with a club. I used every plaster I could get with no relief. Sloan's Liniment took the pain right out, and I can now do as much ladder work as any man in the shop, thanks to

Sloan's Liniment

Mr. J. P. EVANS, of Mt. Airy, Ga., says: "After being afflicted for three years with rheumatism, I used Sloan's Liniment, and was cured sound and well, and am glad to say I haven't been troubled with rheumatism since. My leg was badly swollen from my hip to my knee. One-half a bottle took the pain and swelling out."

Sloan's Liniment has no equal as a remedy for Rheumatism, Neuralgia or any pain or stiffness in the muscles or joints.

Prices 25c, 50c and \$1.00.

Sloan's book on horses, cattle, sheep, and poultry sent free.

Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach.

Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. The free sample being simply to convince you of its merits. It is the best way to begin on it. Mrs. J. Davis of 187 W. Harrison street, Chicago, and Mrs. Mary Belford, 1710 Coke street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and a powerful tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail.

For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 590 Caldwell building, Monticello, Ill.
